**CONFERENCES,
MEETINGS & EVENTS**

Carlingford

Creating & Exceeding Every Event Expectation...

Carlingford has hosted some of the most unique corporate events that Ireland has ever produced. Internationally renowned companies have descended upon the medieval village in greater numbers than the Vikings once did.

Cisco have been hosting their Partners forum annually in Carlingford since 2017 and is one of the most successful corporate summits in this region. They utilized 10 different venues throughout the village for this 1-day summit concluding the event with a Gala Ball at the Four Seasons Hotel, Carlingford.

Unique Venues

Carlingford Heritage Centre

Can accommodate special corporate events. The unique and versatile space allows you to customize and separate the venue to suit your needs so you can have meetings, receptions and product launches.

Carlingford Court House

Is an unusual little courthouse which has held fun filled and drama packed mock court cases. This fine courthouse is representative of the classical theme employed in public architecture in the first part of the twentieth century. Set slightly back from the street line, the flanking walls and pedestrian gates create a grand and noticeable entrance.

Carlingford Adventure Centre

Can be utilized for team building seminars and of course outdoor activities. Outdoor challenges can promote adaptability, problem solving and decision making, along with encouraging resilience, team work and confidence.
