"From the day I booked my wedding with the Hotel, right up until after my wedding was over, the Four Seasons Hotel could not have done enough for us. Nothing was too much trouble, right from the wedding planners to the reception and bar staff. Everyone was friendly and professional.

The Hotel was excellent value for money and the location was perfect. The Hotel grounds were beautiful and everyone who came to the wedding commented on how fabulous the Hotel was.

The food was five star standard. I just wish I could do it all again.  
If I could, I would definitely pick this Hotel again, without a doubt."
